

SMS Privacy Policy

WorkBetterNow (“we,” “us,” or “our”) is committed to protecting your privacy. This SMS Privacy Policy outlines how we collect, use, and protect information related to our SMS/text messaging program.

1. Text Messaging Policy

Mobile information will not be shared with third parties/affiliates for marketing/promotional purposes. Any other mentions in this policy exclude text messaging originator opt-in data and consent; this information will not be shared with any third parties. If you wish to be removed from receiving future communications, you can opt out by texting STOP.

2. Collection of Mobile Information

When you opt in to receive SMS communications from WorkBetterNow, we may collect your mobile phone number and any other information you voluntarily provide via text messages.

3. Use of Information

Depending on your consent and opt-in preferences, we use your mobile number solely to send you transactional SMS messages.

4. No Sharing of Mobile Data

We do not share, sell, rent, or disclose mobile information, including your phone number, text messaging originator opt-in data, and consent, to any third parties or affiliates for marketing or promotional purposes.

5. Opt-Out Process

You may opt out of receiving SMS messages from us at any time by replying **STOP** to any message. After you send the STOP message, you will no longer receive SMS messages from us. If you wish to resubscribe, you may do so through our opt-in process.

6. Message Frequency & Data Rates

Message frequency may vary. Standard message and data rates may apply based on your carrier and mobile plan. WorkBetterNow is not responsible for any charges incurred from your mobile service provider due to our SMS communications.

7. Data Security

We take reasonable measures to protect the information you provide through our SMS program. However, text messaging is not a fully secure method of communication, and we encourage users to avoid sending sensitive personal information via SMS.

8. Changes to This Policy

We may update this SMS Privacy Policy from time to time. Changes will be posted on this page with an updated effective date. Continued use of our SMS program after any such changes constitutes your acceptance of the revised policy.
